of students plan to finish high school and pursue a trade, apprenticeship, college or university program.

RVS Community Learning Centre

2023/24

School Education Plan At-A-Glance

This Year We Worked On:

- Developing student literacy and numeracy skills
- Designing instructional and assessment practices to enhance engagement
- Creating learning environments where personal and academic needs are met

You Can Help By:

- Communicating frequently with teachers
- Encouraging your child to attend regularly
- Discussing and exploring career and post-secondary goals with you child

Next Year You Can Look Forward To:

- Improving student attendance and engagement
- Continuing to design instruction and assessment to meet individual student needs
- Continuing to support RVS students in post-secondary readiness
