Hello parents and students,

I wanted to let you know that I have had a wonderful time working as your counsellor in Chestermere. On December 9th I will be moving to our Airdrie South Location. Angela Dillon, our counsellor in Airdrie will be moving to Chestermere to support students. Please make appointments through our front desk to meet with Ms. Dillon for any courses you need in February. I will be in touch with her to support students transitioning to a new counsellor so that they are well supported.

Thank you for welcoming me into your community.
